

## **NURSE PRACTITIONER**

Vasco Rx Specialty and Infusion Pharmacy is full service pharmacy helping patients meet their medical needs for over 20 years. Our goal is to provide seamless customer care coordination to medical providers and their patients. We are looking for a Nurse Practitioner to join our Infusion team. We are currently looking to fill this role on either a part-time OR full-time basis.

As an Infusion Nurse Practitioner, you will be providing a broad range of infusion therapies in multiple infusion suites located in the general Phoenix, Arizona area.

### **Responsibilities:**

- \*Start peripheral lines.
- \*Supervise infusions with possible clinic evaluation of new patients.
- \*Check vitals of patients and complete electronic charting.
- \*Collaborate with Pharm D to perform initial assessment of referral upon admission to program and determines individual client's needs.
- \*Review orders for the necessary prescribed medication required for patient care by referring physician.
- \*Attend client treatment staff meetings and contribute to treatment plans.
- \*Provide guidance and direction to Infusion Nursing staff and clinical staff.
- \*Review and approve client treatment plans set forth by team.
- \*Schedule and meet with clients for follow up consultation after initial assessment when necessary.
- \*Evaluate clients' progress and make recommendations for changes in medical treatment and/or dosages as required.
- \*Prepare emergency medications as needed.
- \*Monitor quality of care, patient experience and appropriate resource use indicators and assist in the identification and implementation of appropriate interventions.
- \*Represent Vasco Rx to external providers and organizations regarding patient management and clinical issues as appropriate.
- \*Assists in managing and monitoring the cost of treatment suggesting areas for improvement.
- \*Perform ongoing reviews of case files to ensure compliance with local, state, federal, JCAHO and other regulatory agency requirements in conjunction with administrative staff.

### **Required Qualifications:**

- \* Current Nurse Practitioner License in respective state.
- \* Board Certified or State License.
- \* Minimum one year of infusion experience including administering IV infusion therapy.
- \* Must be willing to travel to multiple infusion suites in the general Phoenix, Arizona area.
- \* Must have and maintain current CPR certification.

- \* Must possess a valid and current driver's license and auto insurance.
- \* Advanced user computer skills with excellent customer service skills (written and verbal) a must.

**Preferred Qualifications:**

- \* Registered Nurse with at least five years clinical experience.
- \* CRNI certification

**Education:**

Master's Degree as a Nurse Practitioner.
