

Vasco Rx Specialty Pharmacy is a full service specialty and infusion pharmacy helping patients meet their medical prescription needs for over 20 years. Our goal is to provide seamless customer care coordination to medical providers and their patients. We are looking for an addition to our non-sterile compounding team. Must be flexible and available to work nights (i.e. 10:30 A.M. - 7 P.M.). Position requires a team player who is able to work in a high paced environment.

Responsibilities:

- Review order list and create daily workload.
- Effectively use pharmacy computer system to create and review formula logs as well as print labels, worksheets, and manage inventory.
- Use proper compounding and labeling techniques emphasizing pharmaceutical elegance when compounding medications.
- Properly sanitize & organize work area/equipment upon completion of daily compounding.
- Correctly use equipment necessary for preparing compounded products.
- Select proper components for compounded medications i.e.ingredients, devices, etc...
- Locate and demonstrate general knowledge of Standard Operating Procedures "SOP's".
- Effectively prepare and organize all compounded products for pharmacist review.

Requirements:

- Arizona pharmacy tech license in good standing
- Minimum of 1 year of experience as a licensed pharmacy technician
- Compounding or hospital pharmacy experience a plus

If you meet the minimum qualifications and are interested in joining a well-established and respected pharmacy, please apply. Cover letters explaining why you feel you would be a good fit for the position are highly encouraged.
